This page displays the subscriptions to all the reports in your account, grouped by [report type](#). This includes [subscriptions to basic reports](#) and to [Revenue Cycle Explorer](#) reports.

Tip

You can also manage subscriptions to an individual report in **Marketing Activities**. Select the report and click the **Subscriptions** tab.

3. To change how often a report is emailed, click the **Frequency** field and select a new option from the drop-down menu.

4. To change the email addresses in a subscription, click the **Email Recipients** field and edit the email addresses.

Tip

- Use commas between email addresses.
- To save your edits, click in an area *outside* the subscriptions list.

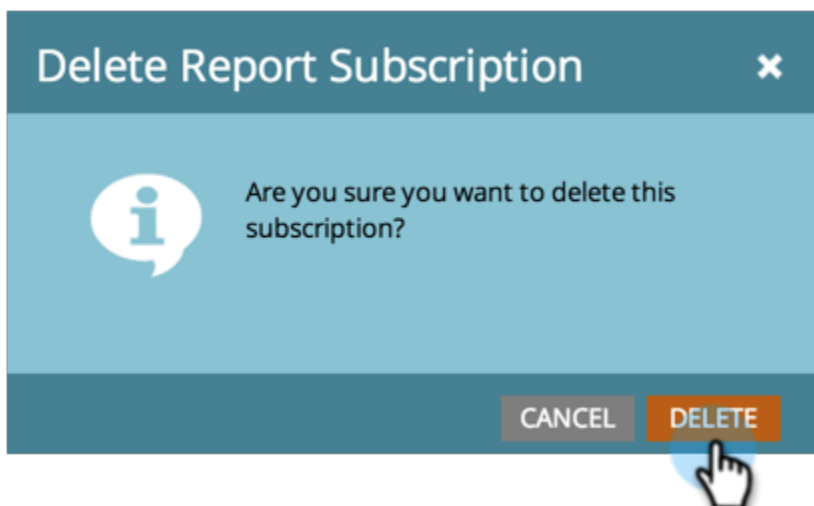

5. You can also:

- Click the **View** button to open a report.
- Deselect the **Active** checkbox to deactivate the subscription.
- Click and edit the **Summary** field to change how many preview rows appear in the email.
- Deselect the **Excel** checkbox to send report summaries without the spreadsheet attachment.
- Click the **Send** button to send the report email immediately.

6. To delete a subscription altogether, select the row and click **Delete Subscription**.

7. Confirm your intention to delete the subscription.
