

How to Uninstall Sales Engage from Outlook

Note

The .Net Add-In is no longer supported as of May 19th, 2019. [Click here](#) to learn more.

Uninstall Sales Engage

1. Click the **Start** menu.
2. Find **ToutApp** in the Programs list.
3. Click it and choose **Unregister**.
4. Navigate to the Control Panel.
5. Pull up "Add/Remove a Program."
6. Select ToutApp from the list and choose **Remove it**.
