

# Select a Form Theme

We made a bunch of nice themes for your forms. Which do you like best?

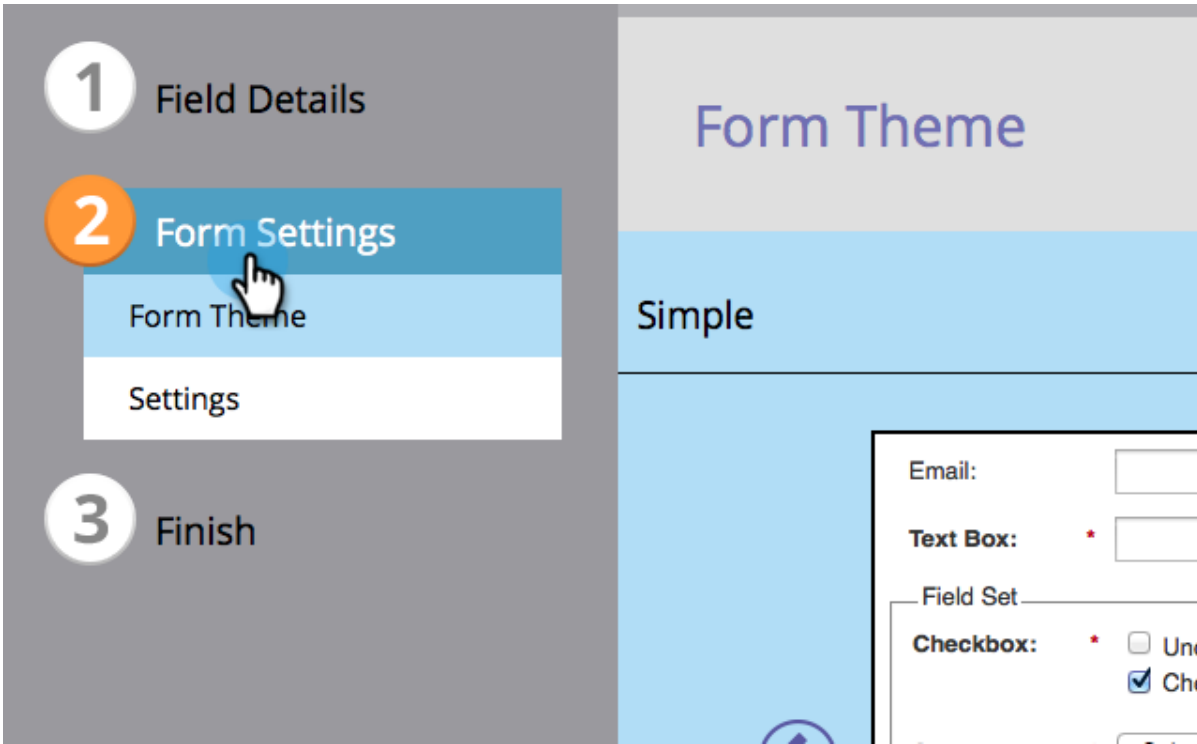

1. Go to **Marketing Activities**.

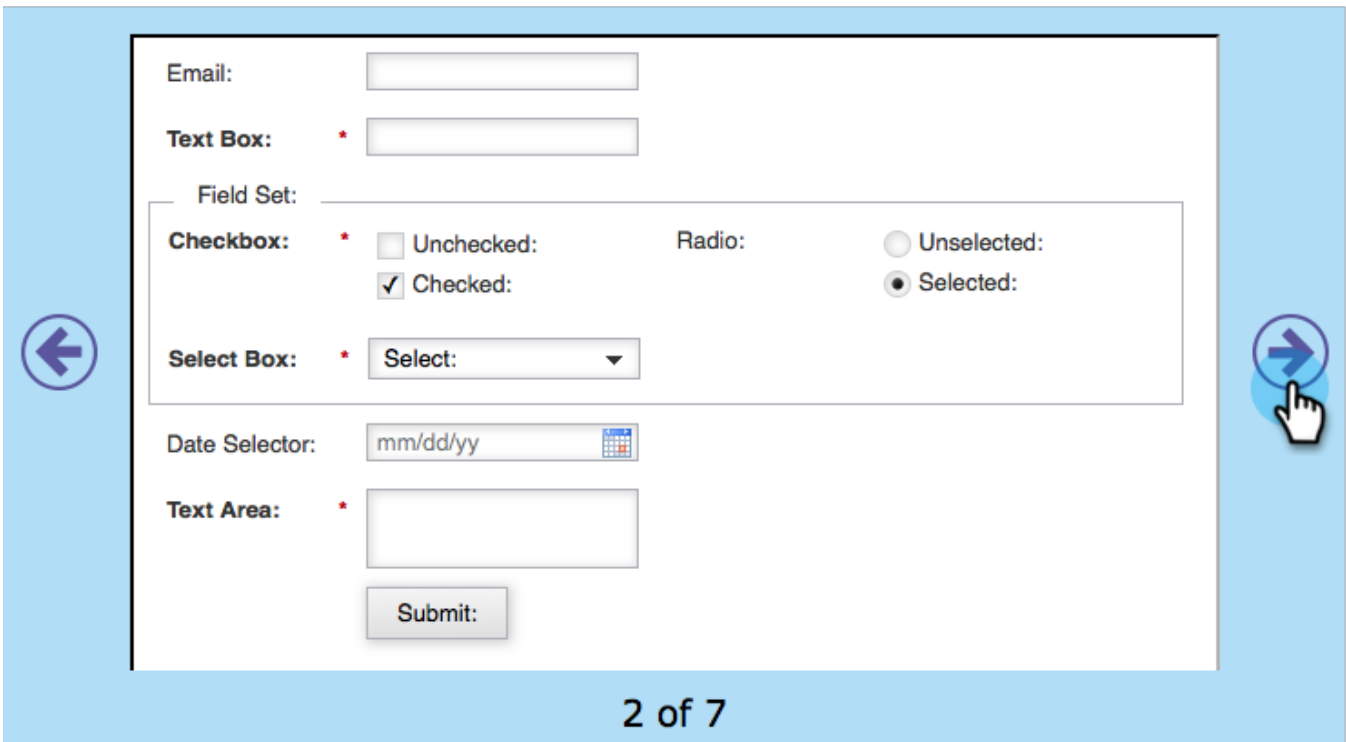

2. Select your form and click **Edit Form**.

3. Go to **Form Settings**.

4. Toggle back and forth to choose the **Form Theme** of your liking.

Currently there are 7 built-in themes:

- Simple

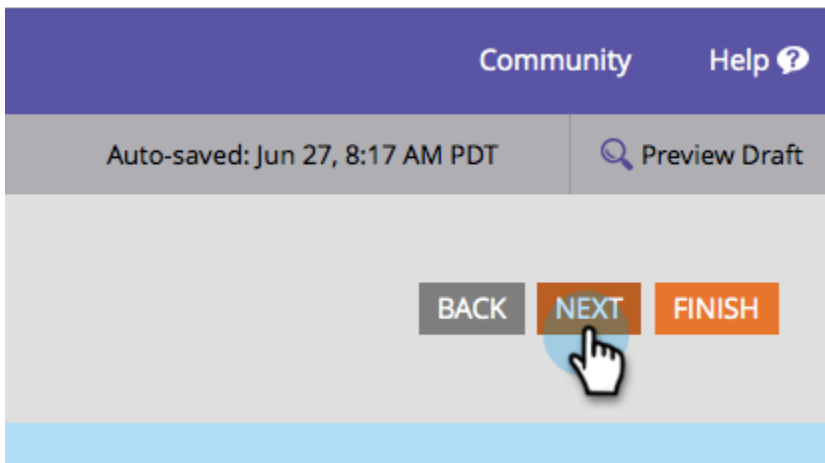

- Inset
- Glow
- Round
- Dark
- Shadow
- Plain

## Tip

You can also [edit the CSS of your form theme](#).

5. Click **Next** to configure other form options, or click **Finish** if you only wanted to change the Form Theme.

How easy was that?! You can let your HTML/CSS book collect some dust now.
