

Delete a Report

Once you start [creating reports](#), you can quickly end up with a lot of them. Remember to delete reports you no longer need.

1. Right-click the unneeded report in the tree and select **Delete Report**.

2. Confirm your intention to delete the report.

The report disappears from the tree. Go ahead, remove some more old reports now!

Deep Dive

See all the other things you can do with reports in the [Basic Reporting](#) deep dive.
