

# Interesting Moment

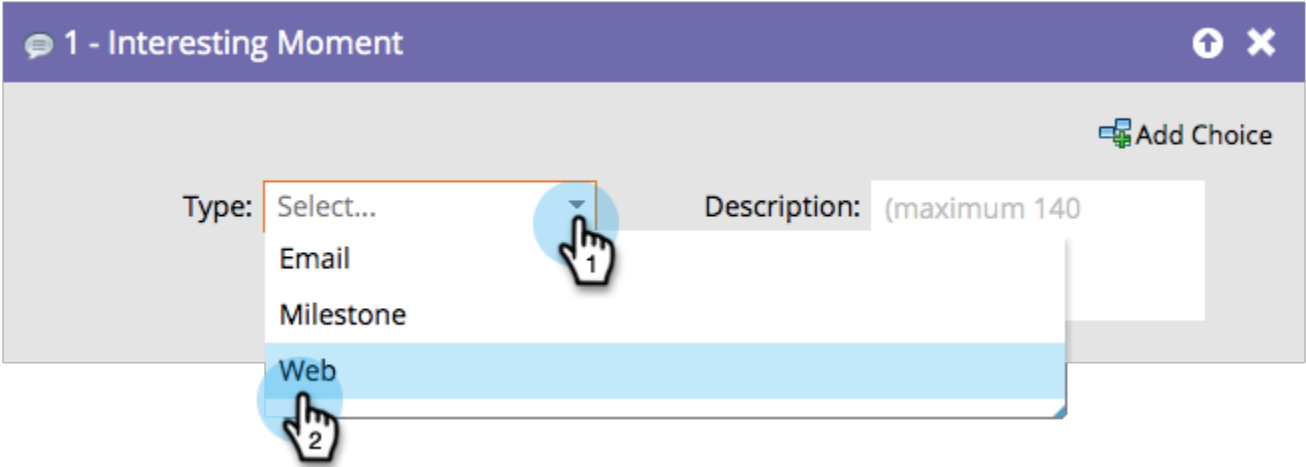

## Overview

If you have [Marketo Sales Insight](#), you can use the **Interesting Moment** flow step to give your sales team visibility into the cool things your people are doing.

## Usage

1. Select the interesting moment **type** you want to use.

2. Create a **description** that explains the interesting moment to your sales team.

1 - Interesting Moment ↑ ×

Type:  ▼ Description:  ✎

[Add Choice](#)

## Tip

**Less is more.** Work with your sales team to make sure interesting moments are actually interesting.

You can also use [tokens in interesting moments](#) to make really useful dynamic descriptions.
